CITRUS FRUITS ON CITRUS TRIFOLIATA STOCK

As it is generally best to cut back all citrus trees 40 to 50 per cent, when transplanting this will be done at the nurseries before shipping, as a rule. We therefore grade sizes of all, excepting kumquats, by caliper.

Large select pecans for seed or samples, \$1.00 per pound, postpaid.

TERMS: One-fourth cash with order, to warrant us in reserving trees for future delivery; balance before shipment.

All quotations are for immediate acceptance, subject to stock being sold and without liability to us should injury befall the stock from frost, hail, fire or other causes beyond our control.

Our trees are grown on newly cleared land, which is free from noxious weeds and grasses.

Long years of experience in packing and shipping trees makes it possible for us to deliver the trees in prime condition to any part of the United States; we also ship across the ocean and have yet to receive the first report of stock arriving in bad order.

A certificate of inspection given by the state entomologist will accompany each shipment, showing our nurseries to be free from San Jose scale and other pernicious diseases.

"The Nut Grower", a monthly magazine, given as premium--to new subscribers only--for one year, with orders amounting to \$10.00 and over. Sent on request.

Samples of nuts sent postpaid on receipt of 10c for each variety wanted. This amount can be deducted from first order amounting to as many dollars as the number of samples sent.

Record of Van Deman pecan tree planted February, 1900: Began bearing in 1903 but no record of nuts kept until 1910.
